

Emendo

TO WHOM IT MAY CONCERN

Date: 8 June 2025

This is to certify that Divyanshu Yadav has successfully completed his internship as a Software Engineer Intern at EmendoAI from 20 November 2023 to 8 June 2025.

During his tenure, Divyanshu demonstrated exceptional skills and professional behavior. He worked diligently on building AI-powered digital assistants and scalable backend services, showcasing expertise in various advanced technologies, including Python, Gemini, Node.js, PostgreSQL, and AWS Lambda.

Additionally, Divyanshu contributed significantly to designing scalable microservices and automating backend testing pipelines to meet specific business requirements.

Divyanshu's work has been of great quality, and his commitment to excellence has been commendable. His ability to adapt to challenges and deliver impactful solutions has left a positive impression on the team.

We wish Divyanshu all the best in his future endeavors and are confident that he will continue to achieve great success.

Sincerely,

Shakthidhar Dakuri M,

CEO , Emendo.AI ,
